You have been sentenced to serve a term in the Vilas County Jail and may have been authorized Huber privileges.

If you have a full time job or are self-employed at this time, you should complete the appropriate forms and mail or bring them into the Jail well prior to your scheduled arrival date. This will allow for us to plan for your arrival and **might** give you a better chance of getting one of the limited Huber beds.

If you have been authorized by the Court to serve your sentence in a county other than Vilas County, you must contact the Vilas County Jail to make arrangements. You will be required to obtain written confirmation that the other county jail will accept you into their Huber program. **You can be required to report into the Vilas County Jail for processing on the date and time indicated on your Judgement of Conviction.**

Attached to this letter, you will find the following:

- Request for Huber/ Self-Employment (Must be filled out by everyone)
- Employers Packet (Filled out by your employer if you work for someone)
- Huber Pamphlet

If you have any questions, call the Jail and talk to either the on duty Sergeant or Jail Administrator at (715) 479-0617.
