COUNTY ROAD CLOSED DUE TO TREES AND POWER LINES DOWN

Boulder Junction, Wisconsin, Tuesday, July 03, 2012, (09:45 am)

County Highway K between Boulder Junction and Star Lake, Wisconsin will be closed to traffic today due to trees being blown down across the highway and power lines being knocked down. Work crews are in the area working to clear the roadway and get power lines back up.

Please use caution and avoid this area until work crews are completed.

UPDATE 07/03/2012 11:35 AM – Road crews have partial clearing of roadways. Traffic is able to get through but use caution and workers are still in the area removing debris and power companies are still working on downed lines. J Fath, Chief Deputy
