RE: Vilas County Snowmobile Trails Opening Target Date

The Vilas County and the Vilas County Snowmobile Alliance have set a target date for opening the State funded snowmobile trail system. The date (conditions permitting) will be:

4:00 PM ON FRIDAY DECEMBER 12TH, 2014.

This is a target date and it coincides with the Friday following the 10 day deer muzzle loader season. While tempting, do not ride snowmobile trails prior to opening. There are many private landowners on trails and other recreational users out in the field. Stay off all lakes unless the trail across the lake is clearly marked.

For more information on trail conditions, please contact the area chamber or local snowmobile club in the location you plan to ride.
