Equipment Donation to Sheriff's Office

Monday, April 12, 2010, Vilas County Sheriff's Office, Eagle River, WI

Local businessman, Ed Gilomen of Eagle River Radio Shack, donated a CelleBrite Mobile Synchronization unit to Vilas County Sheriff John Niebuhr at the monthly Law Enforcement and Emergency Management Committee meeting.

This unit is a professional, stand-alone phone memory transfer and backup solution that transfers all forms of content, including pictures, videos, ringtones, SMS as well as phonebook contacts data between a wide range of mobile phones, smart phones and PDA's.

The Sheriff's office will utilize this equipment as an investigative tool.

On behalf of the Sheriff and his staff, Thank You Mr. Gilomen.
