FIRE

Structure Fire

Eagle River, Wisconsin, Vilas County, October 27, 2010--- On October 27, 2010 at 00:11 am, Vilas County Sheriff's Department received a cellular call reporting a chimney fire at 5350 Aldridge Lake Rd., Eagle River, Wisconsin, Vilas County. The home owner reported flames coming out of the chimney. The main structure of the house was engulfed in flames by the time responding units arrived on scene. The home owner was the only occupant of the house. He was able to exit the house safely and there were no injuries reported.

The structure sustained heavy fire and smoke damage. The cause of the fire is under investigation at this time. Red Cross made arrangements for the displaced home owner.

Eagle River Fire Department, Sugar Camp Fire Department, Eagle River Ambulance Service, WPS and the Vilas County Sheriff's Department responded to the fire.
